GET A BIGGER PIECE OF THE PIE

If you need to raise money for your organization, offer people something that's hard to pass up—The Best Pie in America®. Fundraising cards for our pies are easy to sell, easy to distribute, and can be redeemed at any of our Bakers Square restaurants.

A SWEET DEAL

How does it work? You have the choice of one of two cards. A card redeemable for one whole Fruitabulous™ pie or a card redeemable for one whole Fruitabulous™, Silk or Classic pie. We will sell you the cards at a discounted rate, you then sell them at a higher price and keep the difference. Not sure how to price your pies? We will help you figure it out.

SIMPLE

With the Sweet Returns fundraising program, there are no lengthy forms to fill out and no complicated directions to follow. Your cards will be shipped to either your local restaurant or to you directly.

CONVENIENT

You won't have to deliver pies and card purchasers won't have to wait to enjoy them. Simply hand them their Sweet Returns card and your work is done.

FLEXIBLE

Every organization has different goals and needs. Our managers will work with you to determine the best way for Sweet Returns to give you results, including appropriate pricing.
