Nutritional information and ingredient statements are based on current formulations and standard recipes, using data provided by our suppliers and distributors, and are meant to provide a general estimate of nutritional values associated with our menu items. Variations can be expected due to seasonal influences, differences in product preparation per restaurant, substitution of ingredients, customized ordering and other factors. Some menu items, including test products and regional items, may not be available in all restaurants.

If you have food allergies, you should know that we use milk, eggs, tree nuts, peanuts, seafood, soy, wheat, sesame products, crustacean shellfish, fish, sulfites and other allergens in our kitchens. Unless otherwise noted, items are prepared in common areas and food prepared at our restaurants may come in contact with or contain traces of these products and other potential allergens or ingredients.
